Cavtat is a small resort coastal town located between Dubrovnik and its international airport. Dubrovnik, the islands, the inland - they are all easy to reach for any social event. Cavtat lies at the southern tip of the Republic of Croatia. Population is 2.000 people. Climate is mild Mediterranean with over 3,000 hours of sun. According to Jacques Cousteau the crystal clear sea is "the cleanest sea of the Mediterranean". Cavtat is accessible by air (international airport), road and sea.

4th Croatian Congress on Occupational Health
with International Participation

HEALTH AND WORK – KEY OF LIFE

&

14th International Congress on Occupational Health Services

**OCCUPATIONAL SERVICES IN TRANSITION
IN EASTERN AND WESTERN EUROPE**

November 8 - 11, 2007
Cavtat / Dubrovnik, CROATIA

Invitation

We are pleased to invite you to the 14th Congress of the ICOH Scientific Committee entitled “**OCCUPATIONAL SERVICES IN TRANSITION IN EASTERN AND WESTERN EUROPE**” to be held on 8th - 11th November 2007 in Cavtat, picturesque town near Dubrovnik, Croatia as a joint event with the 4th Croatian Congress on Occupational Health. This International Congress on Occupational Health Services will be hosted for the first time in Croatia, after the recent congresses held in Denmark (Aarhus, 2001), the Netherlands (Amsterdam, 2002), Belgium (Gent, 2003), and Italy (Modena, 2004) and Japan (Utsunomiya, 2005).

We are looking forward to meeting you in Cavtat in November 2007, and to discussing the newest research results and innovative strategies for the future.

Scope of the Congress
